

## 2017 Cheongsong White Porcelain Residency Program

Cheongsong White Porcelain (Cheongsong Paekja) is one of four major Chosun Dynasty porcelains that has 500 years history from the 16th century to the mid-20th century. With Yang'gu White Porcelain, it also represents Chosun White Porcelain.

Unlike some white porcelains that other area produced by using soil Cheongsong White Porcelain shows milky and snowy white color and is thin and light because uses stone powder from(which means pottery stone in Korean).

Cheongsong White Porcelain, which is one of Cheongsong's cultural heritages, is handmade following the traditional rule, which is hardly found in any other areas in Korea.

Succeeding traditional methods, this porcelain is able to present the sprit of artists and the aesthetics of slowness.

In order to promote Cheongsong white porcelain internationally and to network with artists, Cheongsong Culture and Tourism Foundation, calls artists for, "2017 Cheongsong White Porcelain Residency Program". Through the program, we expect to have a meaningful networking with international artists, who work based on stone powder. Furthermore, we hope to find a new vision of porcelain industries. Please apply as follows.
